Whether you are new to exporting or want to reach new markets abroad, this is the platform to help your business grow. Join area business leaders to learn about the benefits of going global and how your business can increase sales and profits, reduce dependence on traditional markets, and grow your company's international reach.

Speakers:

- Noel Massie, President, UPS, Southern California District
- Brian Peck, Deputy Director, Intl. Affairs & Business Development, GO-Biz
- Gina Barro, Business Development Manager, Port of Long Beach
- Dan Gardner, President, Trade Facilitators, Inc.

Give us your business card at the event for a chance to win an iPad!
